VİLLA PLAST
PVC PROFİL SAN. VE TİC. LTD. ŞTİ.

VİLLA PLAST, Türkiye merkezli bir firma olup, Gaziantep Organize Sanayi Bölgesi'nde bulunan üretim tesisiyle modern pencere ve kapı sistemleri için yüksek kaliteli PVC ve uPVC profil çözümleri üretmektedir. Şirket, dayanıklılık, hassas üretim, estetik görünüm ve uzun ömürlü performans ilkeleri doğrultusunda, konut, ticari yapı ve endüstriyel projelere yönelik güvenilir profil sistemleri sunmaktadır.

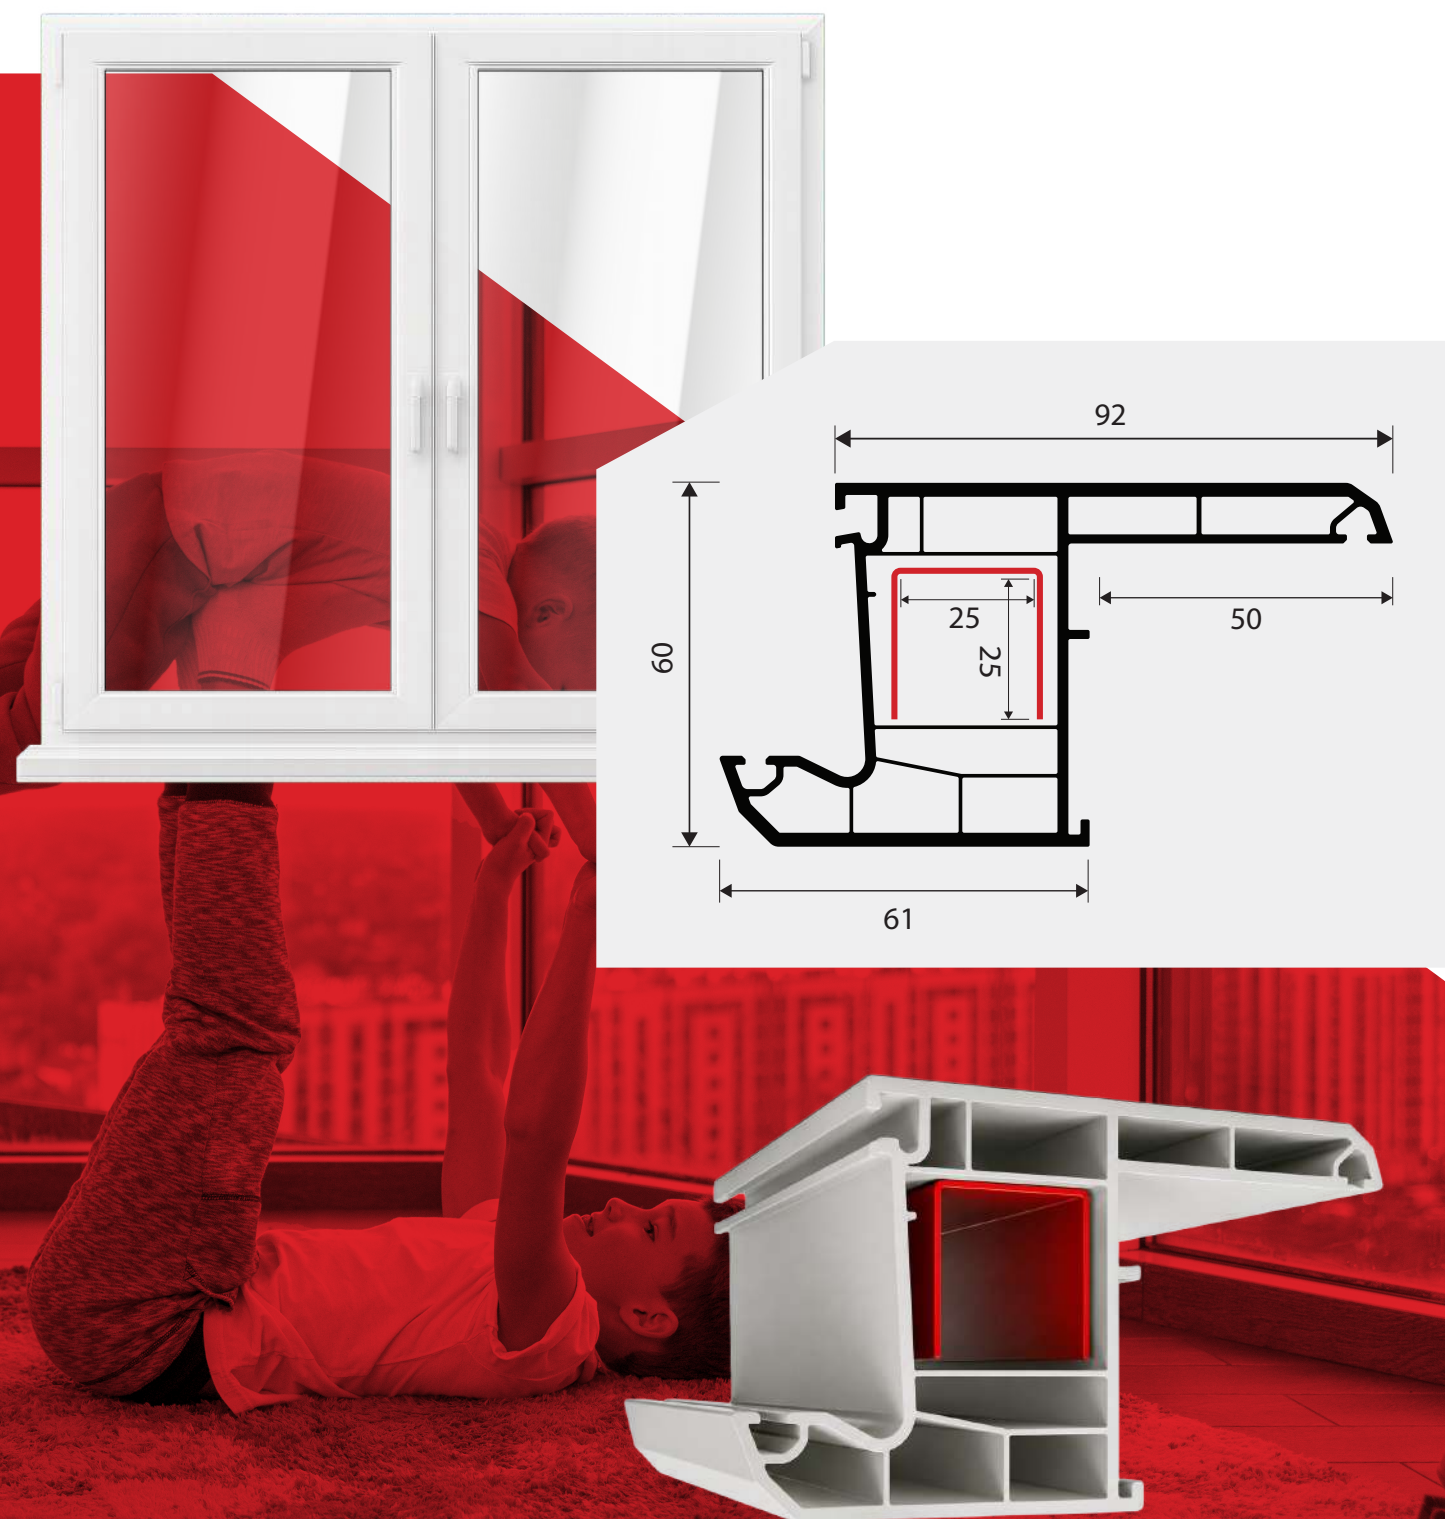

Kaliteli hammadde kullanımı, modern üretim anlayışı ve sürekli kalite kontrol süreçleriyle VİLLA PLAST, ısı ve ses yalıtımına katkı sağlayan, güçlü, kullanışlı ve çağdaş profil çözümleri geliştirmeyi hedefler. Firma, iş ortaklarına sürdürülebilir kalite, güvenilir hizmet ve yüksek standartlarda üretim anlayışıyla değer katmayı amaçlamaktadır.

VİLLA PLAST is a Turkey-based company with a production facility located in the Gaziantep Organized Industrial Zone. The company specializes in manufacturing high-quality PVC and uPVC profile systems for modern window and door applications, offering reliable solutions for residential, commercial, and industrial projects.

With a focus on durability, precision manufacturing, clean design, and long-lasting performance, VİLLA PLAST works with carefully selected raw materials, modern production standards, and continuous quality control processes. The company aims to deliver strong, efficient, and contemporary profile systems that contribute to thermal and acoustic insulation, while creating long-term value for its business partners through consistent quality and dependable service.
